

First Grade Assignment Sheet Explanation

The purpose of the take home folder assignment sheet is for you to be aware of your child's daily homework assignments and behavior. Every child will be given an assignment sheet on Monday. They will write the date, and then **circle** the homework for that night.

Sometimes we will write notes in the note section.

Every first grade student is expected to read, or be read to, for 20 minutes EVERY night.

On the back of the assignment sheet your child will color in the daily behavior section so you will know how the day went. Please sign the assignment sheet each evening so that we know you have seen your child's folder and assignments. Keep this sheet on the ***Return to School*** side of the folder, along with any completed homework. Please involve your child in this process as we are trying to teach the first graders organizational skills. Assignment sheets can be taken out on Fridays after school because we will pass out a new one the following week.

Thanks,

The First Grade Team
