Writing Note - The First Grade Team has decided to put extra emphasis on writing at this time of the year. We are finding that students are not using proper capitalization, spacing between words, or punctuation. This makes it very difficult to reach our target of writing a 5 sentence paragraph. While we may be doing more writing in class, we are hoping to have your assistance with writing at home as well. Some nights we will be sending home writing practice in lieu of math homework. Please focus on:

- proper letter formation
- correct spelling of word wall words
- capitalization
- finger spaces between words
- punctuation

Also note that the students should be able to write 5 sequential sentences at this time of year. We are now transitioning into full paragraphs, with a topic sentence, details, and conclusion. Your support at home is greatly appreciated!!

Special Events/Information:

Friday, April 13 - STEAM Fair 6:30 PM
