Just a quick reminder, our school day begins at 9:05 (9:15 on Wed.). Please have your children here before that time so that they can be ready for the day!

*Please remember to send a **nutritious, non-messy** snack with your child everyday! **Due to life threatening allergies, it is essential that no products contain tree nuts or peanuts during this time.**

During the winter, we will go outside for recess if the wind chill index is at five (5) degrees or above. The wind chill report will be obtained from the National Weather Service. Students are expected to dress appropriately for recess with hats, gloves, boots and winter coats. Snow pants and boots are also required to play in the snow. All students participate in recess unless a doctor's note is provided to school. Bad weather and black top conditions dictate the frequency of indoor recesses.
