During the winter, we will go outside for recess if the wind chill index is at five (5) degrees or above. The wind chill report will be obtained from the National Weather Service. Students are expected to dress appropriately for recess with hats, gloves, boots and winter coats. Snow pants and boots are also required to play in the snow. All students participate in recess unless a doctor's note is provided to school. Bad weather and black top conditions dictate the frequency of indoor recesses.

McCarty School "Cool Tool" this week (1-15-18) will continue to focus on reviewing Mustang Pride expectations and matrices.

The nurse's office is in need of gently used boys' pants. If you have any to donate, please send them in with your child. Thank you in advance!!! :)
